

EGO PACK PRO: ROTARY HAMMER, ANGLE GRINDER, CHARGER, 2X BATTERY AND BAG.

PACK3EGOPRO

This PACK (PACK3EGOPRO) comes with a Brushless Rotary Hammer 20V that is suitable for drilling holes in a variety of materials. The Brushless Angle Grinder 20V - 125MM guarantees fast cutting and grinding with the necessary durability, adapting to a wide variety of applications, from metal to masonry. It is complemented by a 20V 4Ah EGO battery and a 20V 6Ah EGO battery that guarantee extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the batteries efficiently. For transport and organisation, this set comes with a tool bag with a hard base, which ensures transport, protection, and easy access to your tools.

Key features

- > The Brushless Rotary Hammer 20V is equipped with a brushless motor and a quick-release metal chuck with spindle lock (with SDS-Plus fitting).
- > This Hammer model has one no-load rotational speed (0 - 1420rpm), as well as an impact drilling mode (0 - 4500ipm rate).
- > The Brushless Angle Grinder 20V - 125MM can reach a speed of 10000rpm and is compatible with 125mm discs.
- > This Angle Grinder is equipped with Brushless motor technology and includes an adjustable auxiliary handle with three positions (right-side, left-side, and top position).
- > The 20V 4Ah EGO battery and the 20V 6Ah EGO battery have no memory effect thanks to their lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. They are equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device.
- > The tool bag contains 25 storage pockets, 8 of which are on the outside, and it can withstand a maximum load of 25kg. It is equipped with a shoulder strap with a perforated, soft lining, as well as a waterproof, shockproof plastic base.
