

GIRONA TWO-PRONG WEEDING HOE WITH WOODEN HANDLE

VI0463C

The curvature of this weeding hoe ensures precision and efficiency, making it ideal for making small furrows and defining the edges of flowerbeds. This model has a wooden handle which provides greater comfort and optimises the user's work.

Key features

- > Tempered steel that guarantees strength and durability;
- > Agile and versatile format, thanks to the presence of two blades;
- > Comfort ensured by the handle.
