

BMC CASE FOR COMBI DRILL EGO VIBCBMCBA

The functional and versatile BMC case from VITO allows two different appliances to be stored, but only one can be transported at a time. It was specially designed to meet the diverse needs of the user and allows you to carry either a Cordless combi drill (VIBCBSFL20) or a Cordless Screwdriver (VIBCASFL20), two batteries and a fast charger. This robust and resistant BMC case has metal locks and an ergonomic handle to safely transport your appliances.
