

20V BRUSHLESS POLISHER VIBCPB20

The six speed adjustment levels allow you to adapt the polishing intensity according to the sensitivity of the surface and the desired result. This flexibility makes it ideal for delicate polishing and scratch removal. Includes: a wool polishing pad, a flat foam polishing pad, an embossed polishing pad, a Velcro backing pad and an auxiliary handle. This model is compatible with the interchangeable battery from EGO range (2Ah, 4Ah and 6Ah).

Key features

- > Brushless motor;
- > Variable speed;
- > Spindle lock for disc change;
- > Safety button;
- > Metal gearbo
