

BRUSHLESS CIRCULAR SAW 165MM - 20V

VIBCSCB16520

Easy to use, this model is equipped with a locking mechanism for blade change, making this process safer. The aluminium base plate provides stability and durability, while also allowing the depth and inclination of cut to be adjusted. This model is compatible with the interchangeable battery from EGO range (2Ah and 4Ah).

Key features

- > Brushless motor;
- > Spindle lock for blade change;
- > ON/OFF switch lock-on button;
- > Blade guard;
- > Aluminium base plate.
