

## PRO SDS-MAX DRILL BIT VIBSDSM12340

Designed for intensive work, this type of drill bit is wear-resistant and has good dust extraction capacity, improving its performance and making it a suitable solution for professional contexts.

## **Key features**

- > Ideal for demanding materials;
- > High strength and  $\bar{\mathbf{d}}\mathbf{urability}$  guaranteed by reinforced construction;
- > Good dust extraction capacity, optimising tasks;
- > Accurate and consistent results.

## **Specifications**

Diameter	12 mm
Length	340 mm
Suitable for	Stone and concrete

## **Variants**
