

ENDURANCE SDS-MAX DRILL BIT

VIBSDSME12340

Robust and reliable, this drill bit, compatible with SDS-Max fitting equipment, features a tungsten carbide tip and reinforced body, providing superior durability and resistance. The optimised spiral geometry ensures excellent dust extraction, promoting fast and continuous drilling progress with less effort and greater productivity.

Key features

- > Ideal for drilling in stone, brick, masonry, and reinforced concrete
- > Superior durability for intensive applications
- > Reduction of vibration during drilling
- > Excellent dust extraction for work optimisation
- > Professional performance in demanding jobs

Specifications

Diameter	12 mm
Fitting	SDS-Max
Length	340 mm

Variants

Reference	Diameter	Fitting	Length
VIBSDSME12340	12 mm	sds-max	340 mm
VIBSDSME12540	12 mm	sds-max	540 mm
VIBSDSME14340	14 mm	sds-max	340 mm
VIBSDSME14540	14 mm	sds-max	540 mm
VIBSDSME16340	16 mm	sds-max	340 mm
VIBSDSME16540	16 mm	sds-max	540 mm
VIBSDSME18340	18 mm	sds-max	340 mm
VIBSDSME18540	18 mm	sds-max	540 mm
VIBSDSME20320	20 mm	sds-max	320 mm
VIBSDSME20520	20 mm	sds-max	520 mm
VIBSDSME22320	22 mm	sds-max	320 mm
VIBSDSME22520	22 mm	sds-max	520 mm
VIBSDSME24520	24 mm	sds-max	520 mm
VIBSDSME25320	25 mm	sds-max	320 mm
VIBSDSME25520	25 mm	sds-max	520 mm
VIBSDSME26520	26 mm	sds-max	520 mm
VIBSDSME28520	28 mm	sds-max	520 mm
