

PLATFORM SACK TRUCK 150KG VICTP150

VITO's Platform Sack Truck makes it easy to transport loads of up to 150 kg, providing mobility and practicality. Its compact and foldable structure allows it to be easily stored, especially in smaller spaces, making it a practical and convenient transport solution for moving materials. This light and resistant model allows the weight of the load to be distributed evenly, ensuring greater comfort when using it. In addition, it is equipped with wheel brakes, ensuring safe immobilisation whenever necessary.
