

ELECTRIC CHAINSAW 2000W - 455MM VIE2000

Their size and ergonomics mean it is easy and simple to use, requiring only an electrical connection. The automatic chain lubrication system provides a more accurate and longer lasting cut, extending the chain's service life. The "Double Brake" system ensures enhanced safety. They are equipped with a 405mm and 455mm Oregon guide bar for durability, precise and fast cutting, contributing to a more efficient and comfortable cutting experience.

Key features

- > Chain tensioning knob;
- > Guide bar cover;
- > Ergonomic handle.

Specifications

Chain oil	H150 - 150 ml
