

TOOL TROLLEY CASE 137 PCS

VIMTF137

Built with a sturdy structure, it guarantees maximum protection and durability, even in demanding environments. Equipped with smooth wheels, it makes it easy to transport to any workplace, whether at home, in the workshop or outdoors. This case covers a wide variety of high-quality tools, including a complete set of 50 bits, combination wrenches, pliers, hammer, measuring tape, scissors, flathead screwdrivers and more. Plus, the tools are organised in well-defined compartments, allowing quick access to each tool. The case is ideal for mechanical repairs, electrical work, carpentry, housework and much more. This set combines functionality, strength and mobility, making it the ideal everyday tool case.
