

HAND PALLET TRUCK 3,0 T VIPP30

The 3-ton manual pallet truck is built for heavy-duty material handling in warehouses, factories and logistics centers. With a maximum lift of 200 mm and forks measuring 1100 x 540 mm, it fits most Euro pallets. Solid nylon wheels ensure smooth rolling, durability and low maintenance. Its reinforced frame provides excellent stability and safety when moving heavy loads. A robust and reliable tool for demanding industrial environments.

Key features

- > 3-ton capacity for heavy loads.
- > 550 x 1100 mm forks fit Euro pallets.
- > High-strength nylon wheels.
- > Reinforced structure ensures stability and safety.
- > Suitable for demanding industrial environments.
- > Smooth and reliable handling.

Specifications

Dimensions	540 x 1500 x 1235mm
Fork length	110 cm
Fork width	54 cm
Maximum lift height	200 mm
Wheels	Solid nylon
Load capacity	3,0 ton
Weight	75Kg
