Key features

- > Uniform coverage;
- > Professional finish;
- > Reduction of fatigue;
- > Versatility and ease of use;
- > Good paint adhesion;
- > Less paint wastage.

Specifications

Flow rate	1.2 L/min
Height	205 mm
Length	290 mm
Paint maximum viscosity	120 din/s
Power cord length	2 m
Product weight	1.444 kg
Rated power	600 W
Sound power level (LWA)	106 dB
Sound pressure level (LPA)	95 dB
Spray pattern	4
Supply voltage	230 V AC 50 Hz
Tank capacity	1.2 L
Weight with packaging	1.838 kg
Width	180 mm
