

## GREY PVC SWIVEL CASTOR WITH PLASTIC BRAKE 50MM

### VIRGTPPVCCZ50

VITO's Grey PVC Swivel Castor with Plastic Brake ensures braking and complete freedom of movement for moving loads, without leaving marks on the floor. With a soft wheel and 360° rotation, this castor makes it easier to move around, especially in small spaces. In addition, the PVC coating prevents scratches on any type of flooring. The castor is equipped with a plastic brake that allows the wheel to be locked when necessary, ensuring that it is secured and immobilised. Its galvanised metal construction ensures durability, while the swivel system guarantees smooth manoeuvring.

#### Key features

- > 360° movement, ensuring fluidity in manoeuvres;
- > Integrated brake for greater safety;
- > Resistant PVC coating preventing marks;
- > Ideal for moving around in small spaces;
- > Convenience in transporting loads;
- > Sturdy galvanised metal structure.

#### Specifications
