

## SAFETY SHOE S3 LITHOS

### VISL37

The Lithos Shoe from VITO combines design with security, ensuring greater day-to-day productivity for all professionals. This model features a composite toecap, energy absorption in the heel region to minimise the effects of fatigue and a removable insole, offering maximum comfort. The S3-rated Lithos shoe, with its anti-static and slip-resistant (SRC) sole, is resistant to water penetration and absorption, complying with all the Requirements of the European Standard EN ISO 20345: 2011.

#### Key features

- > Resistance to penetration and water absorption;
- > Anti-static sole;
- > Energy absorption on the heel;
- > Anti-perforation sole;
- > Anti-slip SRC;
- > Composite toe cap.

#### Specifications

|               |                        |
|---------------|------------------------|
| Midsole       | Aramid synthetic fiber |
| Outer coating | Fabric                 |
| Safety Rating | S3                     |
| Sole          | PU - Polyurethane      |
| Toe cap       | Composite              |

#### Variants

| Reference | Midsole                | Outer Coating | Safety Rating | Sole              | Toe Cap   |
|-----------|------------------------|---------------|---------------|-------------------|-----------|
| VISL37    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL38    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL39    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL40    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL41    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL42    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL43    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL44    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL45    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
| VISL46    | aramid synthetic fiber | fabric        | s3            | pu - polyurethane | composite |
