

HEDGE SHEARS WITH BIMATERIAL HANDLE 275MM

VITCSP

VITO`s Hedge Shears with Bi-Material Handle (VITCSP) are ideal for detail work on hedges and pruning. This tool stands out for its versatility as, besides being ideal for cutting hedges, it has a component with a blade that allows smaller branches and twigs to be removed. In addition, it has an ergonomic handle that provides greater comfort and reduces user fatigue. As such, this product represents a practical and efficient solution for gardening tasks.

Key features

- > **Component with Blade:** Additional mechanism for conducting pruning work;
- > **Anti-Slip Handle:** Ensures greater comfort and ergonomics when conducting gardening tasks;
- > **Carbon-Enriched Steel Blade:** Offers greater wear resistance and durability.
